“ We’re Westcotts...

...Chartered Accountants and Business Advisers, and we’ve been collaborating with local businesses and individuals in the South West, for over 30 years. With more offices in the region than any other firm, we offer a personal and local service valuing relationships above all else.

You see, for all those years we’ve been concentrating our efforts on what matters most, ensuring our clients large and small, across a diverse range of sectors, achieve their objectives.

We are passionate about using our local knowledge and experience to guide our clients, to help them progress and to support them with any challenges they face along the way.

I am extremely proud of our team here at Westcotts. We are on hand and if you have any requirements that you would like to discuss with us, we’d be delighted to hear from you.

We’re here.

“
Quite simply, helping businesses and individuals succeed is why we’re here

Shona Godefroy, Managing Partner

We're with you...

... and have built our business by providing a very personal and local service to thousands of clients who rely on our advice and support.

We value relationships above all else, but by embracing technology, we can challenge you to be forward-thinking, and take your ambitions to the next level.

The world is a complicated place, but one that is filled with opportunity. Everyone will increasingly need help to take care of the things they don't have time for, or simply don't understand, and someone to navigate them to a better place.

Your success is our success. We're not about simply ticking boxes, instead we are problem solvers and solution finders who always go the extra mile, working in true collaboration with our clients.

We share your ambition, to grow, thrive and look forward.

We're here.

“
We're not about simply ticking boxes, instead we are problem solvers and solution finders who always go the extra mile”

We're close by...

... with more offices across the South West than any other firm, we're always on hand to give clear, calm and expert advice, face-to-face if you need it.

And once a client walks through one of our doors, they enter a world of opportunity, expertise, and potential, with access to experienced partners and team members, with a wide range of specialisms.

We are fully involved in the communities we serve, not only through our physical presence, but also by being out and about in the region, visiting our clients.

This creates a level of understanding of the threats and opportunities they face on a daily basis. Ours is a bespoke and forward-thinking service brought to life with local knowledge.

At Westcotts we share a common aim, to deliver exceptional service, however large or small the task - helping you to achieve your goals through sound advice and smart solutions.

We're here.

Our sectors

We recognise that specialist businesses need specialist support. That's why we have a team of experts who have a wealth of knowledge and experience in different types of businesses across various sectors.

Whether you're part of the region's deep-rooted agricultural heritage, part of our vibrant tourism sector, thriving in technology or part of something else entirely, we're here to support our dynamic and active economy.

We're proud that our client base reflects the breadth and richness of the business community.

Our Services

Audit & Assurance

Whether it's applying for a grant, completing an independent review, or a full statutory audit, our truly partner-led approach to audit and assurance covers a wide range of engagements and is tailored to the individual needs of your organisation.

Accounting & Compliance

We'll work with you to review the performance of your business and help it thrive and grow. We can help you with your bookkeeping, forecasting and management accounts as well as offering a comprehensive end-of-year accounts service, giving you peace of mind knowing that you are compliant with all relevant legislation including HMRC and Companies House.

Digital Services

We're here to help you go digital. From helping you comply with the Government's Making Tax Digital scheme, to cloud accounting and accounting software. We can assess your bookkeeping and software options and help you choose the best approach for your business, and help with training and support.

Payroll

Outsourcing your payroll to the expert team at Westcotts allows you to free up valuable administrative resources in your business and gives you access to a wealth of experience and expert payroll knowledge.

Tax

We're here to help with all business and personal taxation needs. Our experts can advise on all matters of personal tax, business taxation and compliance, VAT, trusts and stamp duty, working closely with you to maximise the tax reliefs available.

Advisory

Helping your business throughout its life – whether you're just thinking of starting your business or have been trading for years, we can offer advice every step of the way. Whether it's a new computer system or your next strategic move, our teams can support you. We can help you with raising finance, growth and acquisition, or planning your exit.

Business Recovery & Insolvency

We understand the needs of those in financial difficulty. Our team are qualified to advise and give the best options on business recovery & insolvency, personal debt or bankruptcy, liquidations and creditor services.

Financial Planning

Invest in your future and be prepared for every scenario. We offer independent, straightforward, financial planning advice. Our team of experts can advise on pensions, retirement, insurance, wealth management, estate planning and more.

We're here...

...with more offices in the South West than any other firm, we're always on hand to offer face-to-face advice, opening doorways to a whole world of specialisms and services.

Call us, we're here to help.
